Introduction and Risk Disclosures:

The website is provided for informational purposes only. Investments involve risk and unless otherwise stated, are not guaranteed. Fees and expenses apply to ongoing investment management by Tactive Wealth Advisors (Tactive), and over time these and expenses will reduce the return of the investment. Be sure to consult with a qualified fiduciary only financial adviser and/or tax professional before implementing any strategies. This website and the information contained are not intended to provide investment, tax or legal advice.

Tactive's website is limited to the dissemination of general information pertaining to its services, together with access to additional investment related information, publications and third-party links. Accordingly, the publications of Tactive's website should not be construed by any viewer, customer or potential client as Tactive's solicitation to effect, or attempt to effect transactions in securities or the rendering of personalized investment advice for compensation over the Internet.

Any subsequent direct communication by Tactive with a prospective customer shall be conducted by a registered representative of the firm.

Information contained within this website is believed to be accurate and from reasonably reliable sources. Information that may be derived from third parties is reviewed for reasonable reliability but should not be relied upon to make any investment decisions. All such information is provided solely for the convenience of the users and therefore should be guided accordingly.

Tactive may discuss and display, charts, graphs, formulas, stock and sector picks which are not intended to be used by themselves to determine which securities to buy or sell, or when to buy or sell them. This specific information is limited and should not be used on their own to make investment decisions. This information is offered as educational only.

Nothing in this website should be relied on as a promise or representation as to the future. Past performance cannot be relied upon, various risks, uncertainties and assumptions will affect future outcomes.

Social Media Disclosure:

The firm and its representatives may use social media for business purposes and follow the guidelines and regulations of the SEC's Marketing Rule. Social media is used to communicate with a large audience and therefore is restricted to informational and educational purposes. Comments and "likes" will not be sorted, deleted or amended within the platforms as required by the SEC unless these comments include client non-public information being shared, fraudulent AI generated content or contain language that would be considered foul. Social media is a broad term to various platforms that may be used by Tactive and their advisers, these may include YouTube, Instagram, Twitter or others similar.

Firm Registration and Regulatory Disclosures:

Tactive is an SEC registered Investment Adviser and may only transact business in the states in which they are registered, properly noticed files or exempt from registration. The firm's use of social media and websites are properly disclosed within the lasted form ADV filed (ADV 1A). For information pertaining to the registration of Tactive, please review the Part 2 Brochures and Part 3 Relationship summaries found here <https://adviserinfo.sec.gov/firm/summary> or you can request this information directly from Tactive upon written request to compliance@tactivewealth.com
